Good Day Leaders:

I am excited to tell you that we will be continuing to recognize Royal Ranger Outpost accomplishments in the Southern New England Ministry Network (SNEMN). We have instituted a system of measuring excellence with the "Outpost of Excellence" initiative. The Outpost of Excellence initiative utilizes a system that allows outposts to accumulate points throughout the year. The major categories where points can be earned are:

- Chartering
- Attendance of leaders at trainings (local and national)
- Outpost attendance at Royal Ranger Network events
- New Frontiersmen Camping Fellowship (FCF) recruitment of boys and leaders
- Attendance of boys at camps such as Academy and Security Color Guard Camp

The points will culminate at POW WOW, where outposts can earn more points that will be added to overall points that were earned throughout the year. It will be these total accumulated points that will determine the award for the top Outpost of Excellence for the year. The top Outpost of Excellence will be recognized at the end of POW WOW.

This Outpost of Excellence initiative will use a percentage methodology that will be based on charter numbers so that outpost size is neutralized to allow all outposts to be competitive. The "Outpost of Excellence" award also aligns the SNEMN Royal Rangers with Regional and National Royal Ranger initiatives. We are excited to continue this challenge and hope that you use it as a method to spur your young men toward being READY.

If you have any questions please feel free to contact me, or use QLC at our web site <http://www.snedrr.com/qlc>.

Commanded by Christ and READY.

As always, it's exciting to be planning POW WOW. Please take a few minutes and review this *entire* booklet carefully. You can download additional copies of this booklet or individual forms from <http://www.snedrr.com>.

District Director

Format:

Powwow has traditionally been a place of fun and activity with spiritually based evening messages. We have learned that it is imperative that every activity be focused like a laser on our purpose. In other words, if the activity doesn't support our purpose, why are we doing it? Keeping this concept in mind while listening to your feedback over the years, we have shifted how we are doing a few things. The format for Friday will give you more time with your outposts for spiritual fellowship and devotion. The activities will involve a Ranger Derby and provide the opportunity for individual awards while contributing to the Outpost points. There will be an EXTREME Ranger Derby to bring your Outpost together and race its soapbox car against other Outposts. We will continue to have other self-starting activities that allow greater fellowship among the boys across outposts. They can choose their level of participation in these activities. We want the weekend to be both relaxing and fun for your Outpost. Let's partner together to make this a fun and spiritually challenging event for our boys.

Ranger Derby:

We want every boy to have the opportunity to design and create his own Ranger Derby car! There is something awesome that takes place in a boy as he dreams of his car's design. That dream begins to take shape as he puts on the safety glasses, smells the fresh-cut wood smell, and hears the spray of the paint. WOW! Now that's a WINNING DESIGN. You as a Leader get to affirm the boys' manliness as you teach them to handle the saws, screwdrivers, and other tools to fine-tune their wooden racing machines.

While all this is fun, we are going to take it up to the extreme by having your Outpost create a soapbox car to race as an Outpost! On Saturday we will have the main event EXTREME Ranger Derby to emphasize to the leaders and boys that "with God's help" we can do our best to finish righteous! To emphasize this we will focus on the scripture in Psalm 118:20 "This is the gate of the Lord, the righteous shall enter through it." Let's excite the young men and show them that there is an adventure to be had serving and riding with the Most High Lord.

Final things:

If this will be your first POW WOW, contact Brian Constantino brian_con2000@yahoo.com (Outreach Coordinator) before POW WOW to arrange for a campsite.

Begin praying, *now*, for POW WOW. Many young men and leaders are touched by the Holy Spirit at the altar services every year. I believe we reap what we sow. Sow prayers now. Pray with us for a great POW WOW!

Thanks for your service and dedication to mentoring future men to become life-long Christ-like servant leaders. I look forward to seeing you there!
