

Ranger Kids Activities

Indoor Activities

- The children will each take a turn hitting the Pinyata until the Pinyata bursts.
- At the end of the Ranger Kids Activities, we will be meeting in front of the fire place to make some homemade ice cream.
- We will have our annual bean bag toss using the Royal Ranger emblem. Be sure to get ready, aim, and fire.
- Our Ranger Kid craft will require you to bring your creative minds. We will be making a patrol flag for the Ranger Kids. Be sure to be thinking

about how you want to sign your name on the flag.

- Who doesn't love shooting Dart Guns? We will be discussing the story of David and Goliath. After we discuss, you will need to remember how the story goes in order to shoot the correct targets with your dart guns.
- Start your engines, put your helmets on, and buckle your seat belts. Our race car track will be set up with new obstacles this year. Be prepared to race cars and have a fun time.
- How can blow the biggest bubble? You may want to start practicing now for our Bubble Gum Chewing Contest.

Outdoor Activities

- Your outposts will be teaming up to make the best looking snowman. Make sure you bring supplies to assemble your snowman. (Some idea

may include, hats, mittens, scarves, cookies, carrots, ect)

- Let's put on our boots and take a walk. We will be walking to a Tepee that has a fire pit all ready lit, and hot chocolate brewing. When we get there, put on your listening ears. We will be listening to our David and Goliath lesson as well as learning our verse.
- Of course there will be BB Guns! This event also requires walking to a station. You will
-
- need to pay attention to all of the leaders while we are walking and especially while you are shooting the BB guns.
